

## NEAA 2021: Update

Thank you for being a loyal supporter of the Northeast Acquirers Association (NEAA).

Unfortunately, due to the pandemic and in the best interests of protecting our team, our guests and our supporters, we have made the decision to cancel our 2021 conference, which was scheduled for April 6th-8th in Philadelphia, PA.

While we did have individuals registered to attend and were planning on a hybrid experience (virtual and in-person), we felt that our primary focus needs to be on health and safety and ensuring that we deliver an engaging, interactive and informative event full of value for our attendees, our sponsors and our supporters.

We will reach out individually to all those who have registered and/or signed up for exhibition or sponsorship in the coming weeks so please be patient as we go through that process.

We look forward to returning in 2022 with an incredible event to kick off the year.

Thank you again.

Sincerely,

The NEAA Board of Directors
